PROFESSIONAL EDUCATION COMMITTEE

FUNCTION AND RESPONSIBILITIES:

1. Investigates and studies all possibilities for the professional education and advancement of the Association, its members, and the athletic training profession and makes recommendations to the Board of Directors.
2. Confers with other appropriate consultants regarding recommendations for professional advancement.
3. Makes recommendations to the Board of Directors for the accreditation of schools offering graduate and undergraduate preparation in athletic training.
4. Establishes and supervises the enforcement of professional education standards and criteria for all association certified athletic trainers.
5. Cooperates with the Certification Committee in the establishment of certification requirements and criteria.
6. Investigates and recommends opportunities for in-service training and continuing education for Association members.
7. Serves as a consulting and liaison agency between the Association and educational institutions providing or preparing to provide professional preparation for athletic trainers.
8. Sends educational requirements and any future changes in educational standards, to all Recruitment Committee members.
